

HOME. CHURCH. SCHOOL.

Imagine the incredible impact on your child's life when the school shares and strengthens the same values as home and church. We work better together to create a stronger connection to the presence of Christ in your child's achievement of academic excellence and faith formation.

ACADEMIC EXCELLENCE

We are preparing future generations to achieve their full potential consistent with a Christian worldview. Our school develops students' talents and skills necessary for success in the 21st Century while simultaneously nurturing their strength in faith to incorporate Jesus Christ fully into their lives.

FAITH FORMATION

We honor the Scriptures' calling to dedicate ourselves to raising Godly children despite the constant changes of cultural expectations that often challenge our devotion. To fortify our students' faith, we transition children from salvation to discipleship in our [Student Discipleship Plan](#) through clearly defined areas of spiritual focus at appropriate grade levels.

OUR CALLING

In the face of modern distractions that seek to pull Christian children away from the glory of Jesus Christ, we train future generations with a defensible Biblical worldview to lead their life pointed faithfully toward Him. Partnering with parents and churches, together we create a better fusion of academic success and spiritual development, able to saturate our culture and make an impact for Christ, despite any messages to the contrary. We develop future Christian leaders by engaging in discipleship experiences that come through education so they will continue to meet the world and succeed from calling to college and career.

“

Thank you for being there...I never dreamed I would find this much support! But God led me and my family to you and Mansfield Christian School for a reason, and my heart is warmed by the amount of wonderful and truly caring people I have met thus far within the school system. I feel more confident than ever in educating my daughter and it's due to the help and support from you and the other staff and parents at MCS and for allowing The Lord into your school. My family has grown closer than ever and closer to the Lord than ever! And my eyes have been opened to a new family at MCS.
